## WARRANTY INFORMATION

Nordost products have a limited lifetime warranty to the original purchaser, with the exception of our QRT products which carry limited 2 year (QPOINT, QSOURCE, QNET, QKOIL, and QVIBE) or 5 year (QKORE and QBASE) warranties, and our headphone cables which carry a limited 2 year warranty. These limited warranties cover any defects in material or workmanship under normal use of the product. However, due to the intricate yet durable makeup of our products, all merchandise sent in will undergo an evaluation process at the factory and will be handled at the discretion of the Nordost staff. Damage or abuse is not covered under the warranty. To return any defective items, an RA number must be obtained. Send the item to Nordost prepaid and if repair or replacement is deemed appropriate, it will be returned to the customer freight collect.
